## GRAND KNIGHTS REPORT

Brothers one and all:

It has been a busy couple of months. Our “Keep Christ in Christmas Campaign” has gotten into full swing. John Sepessy surprisingly strong sales on Christmas cards—clearly there is a need out there! The Church Committee has a great group of volunteers that are exploring many facets of support to our parish. Thanks to Jerry Westbrock and his committee for leading the way in the Council!

Chuck Lusky put together a great Blue Mass in September, as well as initiating our assigned road cleanup. There will be a lot more coming with the campaign for the mentally handicapped (otherwise known as the Tootsie Roll campaign) and the Special Olympics, so stay tuned. One area of emphasis that we want to ramp up is our pro-life activities. The Council was able to be a table sponsor for the Banquet of Life held on November 10 in support of Catholic Charities Pregnancy Plus Medical. Joining Melodee and me for dinner and a silent auction were Tom and Bonnie Cummings, Tom and Andrea Cummings, John and Maria Columbia, and Nick and Carolyn Turco. We had a fun evening, but more importantly, we were able to show our support of this important work.

Tom Bailey is continuing to drive on in the Youth Committee. We have a Substance Abuse Poster Contest and a Basketball Free Throw competition coming up, and he will need lots of help.

We have many more things we could be doing in the way of Community, Youth, Family, and Council—we just need some more volunteers to help the committee chairmen bring their programs to fruition. Still, it is clear we have sustained the energy level of our Council! There is a lot of energy being generated in our Council, as many outside observers have noted!

We had a successful Membership Blitz and added nine new members to our rolls in October. That puts us way over quota from the perspective of Supreme and State, and keeps on track for our own goals. Remember, we want to add a total of 40 new members in our first year. With the number of men in our parish, this should not be a difficult goal to meet. There is no reason why every Catholic man should not consider being a Knight—he just needs to be asked!

As I said last month, the key to a healthy, active, and successful Council is to ask every member to contribute something to the Council. If you have not already done so, please sign up for least one of the Program Committees (Church, Community, Family, Youth, Council, Membership). Committee membership is a requirement for advancement to Second Degree. Even if you can only participate infrequently, getting involved in your area of interest will help out the Council. And continue to be visible as a Knight in whatever ministry you perform in the parish. Wear a KofC nametag and the emblem of the Order and show your pride!

Unfortunately, in the midst of our successes, we also had some tragedy, with Tim Donahue’s wife Iras passing away. Thanks to all who responded with support to Tim in his hour of need.

We are still struggling to get a newsletter out, but that is my fault. We will try to get this out on a regular basis. Again, we will continue to email the newsletter while we to put together a sound financial basis for publishing and mailing hardcopies of the newsletter.

Vivat Jesus!

## **News from Supreme Council**

Supreme Knight Carl A. Anderson has been appointed by Pope Benedict XVI as a consultor to the Pontifical Council for Social Communications for a five-year term. The Pontifical Council for Social Communications, under the direction of Archbishop John P. Foley, a Philadelphia native and a Knight of Columbus, is responsible for addressing issues and interests in cinema, radio, television, and the news media as they pertain to the teaching and mission of the Catholic Church.

Are you willing to volunteer to help with hurricane recovery efforts in the Gulf state areas affected by the 2005 hurricanes? We'll put you in touch with Knights of Columbus coordinators in the affected states. If you have a preferred state you would like to volunteer in, please select it below and Supreme will make every attempt to match you to that state. Volunteers who choose "View All" will be matched to the area of greatest need.

## **District Deputy's Report**

My brothers, I bring you greetings from the Supreme Knight and Board of Directors of the Supreme Council and our State Deputy, Bob Read. By the time you read this Halloween will have passed. I hope you had more treats than tricks. November is a busy month. The Church celebrates All Saints Day and All Souls Day on the first two days of the month. Hopefully you will take advantage of these days and attend Mass! Councils should already have planned a Mass to pray for their deceased members. Remember to include widows and family members.

On November 7, we have the opportunity to exercise one of our most valued rights: the right to vote. It is amazing that with absentee ballots, early voting, and voting precincts all over the place and open very long hours that perhaps fifty percent of eligible voters actually vote. The country that holds itself out as the beacon for democracy can manage to get only half of the voters to exercise this right. In my military travels around the world I saw people in many countries stand in line for hours to exercise their right for self governance. Recently, we have seen Iraqis risk death in order to vote and proudly show proof of having cast their ballot. EXERCISE YOUR RIGHT ! Encourage others to vote and help disabled people to vote.

November 10 is the Banquet of Life which benefits Pregnancy Plus Medical arm of Catholic Charities. On November 23, as a nation we stop to take inventory of our blessings and to thank our Creator for His blessings. It's a great day for good eating and football but don't lose sight of what we celebrate.

"Keep Christ in Christmas" activities should be underway as we get prepared for the celebration of our Savior's birth. We don't celebrate "winter break", "seasons greetings", or even "Xmas".

There is a first degree at Nativity on Nov 14; a second degree tentatively set for Nov 18 at St Stephen; there is a third degree Nov 4 in Port Richey and Nov 11 in Orlando - nothing closer until next year; and the Fourth Degree Exemplification in Orlando on Nov 25.

Each council has many activities planned or underway. If you haven't been in touch for awhile now would be a good time to get re-connected. The Knights of Columbus organization continues to grow because we are active leaders in our communities. YOU are the active leaders in your community. Even if you are infirm or aged you can be a blessing to your council. In some cases we may have lost touch with you. Help us out and let us know who you are. See YOU at the next council meeting. Mary, Queen of the Knights, pray for us!

Jim Merkling

## Membership

*Julio Alvarez 662-1845*

*jalvarez8@tampabay.rr.com*

Brothers.

Nine new Brothers took their 1st Degree Exemplification on Tuesday, 10 October, at St Clement Catholic Church at Plant City. The degree honoree was Father Carlos at St Clement. There sixteen members of our Council present—a great show of support!

If you have not done so, check out “Membership 101” on our Council web site. Remember that the best way to recruit a new member is simply to ask. If every member of our Council brought in one new member during the Fraternal Year, our growth would be phenomenal—yet we still will have barely touched our own parish. Let’s continue to make the first Fraternal Year of the Council a banner year for recruitment!

## Financial Secretary Corner

*Ed Smith 662-1845*

*esmith@cookieco.com*

For those of you still carrying around a handwritten membership card, or one from 2006, you probably have not been to a Council meeting recently! To save on postage costs, as well as encourage members to come to meetings, we are not mailing out the cards. See me at a meeting to get your card. If you absolutely cannot make a Council meeting, contact me and we'll make other arrangements.

It is not too early to begin thinking about the Fraternal Survey. Every year, each Council is required to survey its members in a number of areas—estimated volunteer service hours (church, community, youth, Habitat for Humanity, Special Olympics, and miscellaneous), frequency of blood donations, visits to care for the sick and console the bereaved, and hours of fraternal service. This survey is an important gauge for the Order. In the November newsletter, we will publish a form for each member to fill out, and we try to establish an automated form on our web site. Please help us out by filling out the survey promptly!

**Congratulations!**

**New First Degree Members (Oct)**
